

must specify the grounds upon which it requests a waiver, and must demonstrate that the proposed transaction would meet such grounds.

(d) SBA determines the eligibility of an acquiring Participant under paragraph (b)(2) of this section by referring to the items identified in § 124.507(b)(2) and deciding whether at the time of the request for waiver (and prior to the transaction) the acquiring Participant is a responsible and eligible concern with respect to each contract for which a waiver is sought. As part of the waiver request, the acquiring firm must certify that it is a small business for the size standard corresponding to the SIC code assigned to each contract for which a waiver is sought.

(e) Anyone other than a procuring agency head who submits a certification regarding the impairment of the agency's objectives under paragraph (b)(4) of this section, must also certify delegated authority to make the certification.

(f) In processing a request for a waiver under paragraph (b)(2) of this section, SBA will treat a transfer of all a Participant's operating assets to another Participant the same as the transfer of an ownership interest, provided the Participant that transfers its assets to another eligible Participant:

(1) Voluntarily graduates from the 8(a) BD program; and

(2) Ceases its business operations, or presents a plan to SBA for its orderly dissolution.

(g) A concern performing an 8(a) contract must notify SBA in writing immediately upon entering into an agreement or agreement in principle (either oral or written) to transfer all or part of its stock or other ownership interest or assets to any other party. Such an agreement could include an oral agreement to enter into a transaction to transfer interests in the future.

(h) The Administrator has discretion to decline a request for waiver even though legal authority exists to grant the waiver.

(i) The 8(a) contractor may appeal SBA's denial of a waiver request by filing a petition with OHA pursuant to part 134 of this chapter within 45 days

after the contractor receives the Administrator's decision.

§ 124.516 Who decides contract disputes arising between a Participant and a procuring activity after the award of an 8(a) contract?

For purposes of the Disputes Clause of a specific 8(a) contract, the contracting officer is that of the procuring activity. A dispute arising between an 8(a) contractor and the procuring activity contracting officer will be decided by the procuring activity, and appeals may be taken by the 8(a) contractor without SBA involvement.

§ 124.517 Can the eligibility or size of a Participant for award of an 8(a) contract be questioned?

(a) The eligibility of a Participant for a sole source or competitive 8(a) requirement may not be challenged by another Participant or any other party, either to SBA or any administrative forum as part of a bid or other contract protest.

(b) The size status of the apparent successful offeror for a competitive 8(a) procurement may be protested pursuant to § 121.1001(a)(2) of this chapter. The size status of a nominated Participant for a sole source 8(a) procurement may not be protested by another Participant or any other party.

(c) A Participant cannot appeal SBA's determination not to award it a specific 8(a) contract because the concern lacks an element of responsibility or is ineligible for the contract, other than the right set forth in § 124.501(h) to request a formal size determination where SBA cannot verify it to be small.

(d)(1) The SIC code assigned to a sole source 8(a) requirement may not be challenged by another Participant or any other party either to SBA or any administrative forum as part of a bid or contract protest. Only the AA/8(a)BD may appeal a SIC code designation with respect to a sole source 8(a) requirement.

(2) In connection with a competitive 8(a) procurement, any interested party who has been adversely affected by a SIC code designation may appeal the

designation to SBA's OHA pursuant to § 121.1103 of this title.

(e) Anyone with information questioning the eligibility of a Participant to continue participation in the 8(a) BD program or for purposes of a specific 8(a) contract may submit such information to SBA under § 124.112(c).

§ 124.518 How can an 8(a) contract be terminated before performance is completed?

(a) *Termination for default.* A decision to terminate a specific 8(a) contract for default can be made by the procuring activity contracting officer after consulting with SBA. The contracting officer must advise SBA of any intent to terminate an 8(a) contract for default in writing before doing so. SBA may provide to the Participant any program benefits reasonably available in order to assist it in avoiding termination for default. SBA will advise the contracting officer of this effort. Any procuring activity contracting officer who believes grounds for termination continue to exist may terminate the 8(a) contract for default, in accordance with the Federal Acquisition Regulations (48 CFR chapter 1). SBA will have no liability for termination costs or reprocurement costs.

(b) *Termination for convenience.* After consulting with SBA, the procuring activity contracting officer may terminate an 8(a) contract for convenience when it is in the best interests of the Government to do so. A termination for convenience is appropriate if any disadvantaged owner of the Participant performing the contract relinquishes ownership or control of such concern, or enters into any agreement to relinquish such ownership or control, unless a waiver is granted pursuant to § 124.515.

(c) *Substitution of one 8(a) contractor for another.* Where a procuring activity contracting officer demonstrates to SBA that an 8(a) contract will otherwise be terminated for default, SBA may authorize another Participant to complete performance and, in conjunction with the procuring activity, permit novation of the contract without invoking the termination for convenience or waiver provisions of § 124.515.

§ 124.519 Are there any dollar limits on the amount of 8(a) contracts that a Participant may receive?

(a) A Participant (other than one owned by an Indian tribe or an ANC) may not receive sole source 8(a) contract awards where it has received a combined total of competitive and sole source 8(a) contracts in excess of the dollar amount set forth in this section during its participation in the 8(a) BD program.

(1) For a firm having a revenue-based primary SIC code at time of program entry, the limit above which it can no longer receive sole source 8(a) contracts is five times the size standard corresponding to that SIC code as of the date of SBA's acceptance of the requirement for the 8(a) BD program or \$100,000,000, whichever is less.

(2) For a firm having an employee-based primary SIC code at time of program entry, the limit above which it can no longer receive sole source 8(a) contracts is \$100,000,000.

(3) SBA will not consider 8(a) contracts awarded under \$100,000 in determining whether a Participant has reached the limit identified in paragraphs (a)(1) and (a)(2) of this section.

(b) Once the limit is reached, a firm may not receive any more 8(a) sole source contracts, but may remain eligible for competitive 8(a) awards.

(c) The limitation set forth in paragraph (a) of this section will not apply for firms that are current Participants in the 8(a) BD program as of December 31, 1997.

(d) SBA includes the dollar value of 8(a) options and modifications in determining whether a Participant has reached the limit identified in paragraph (a) of this section. If an option is not exercised or the contract value is reduced by modification, SBA will deduct those values.

(e) A Participant's eligibility for a sole source award in terms of whether it has exceeded the dollar limit for 8(a) contracts is measured as of the date that the requirement is accepted for the 8(a) program without taking into account whether the value of that award will cause the limit to be exceeded.
